EXAMINATION RULES AND REGULATIONS

3.0 Preamble

The Turkana University College (TUC) Examination Rules and Regulations define, amongst other things, the matters, the requirements, the time, and the procedure and process of examinations. The Examination Rules and Regulations have been formulated with a view to putting into place a credible and efficient system for the conduct of examinations.

Examinations are an important part of University College experience and TUC takes this process seriously. The University College determines when, where and how examinations take place and students must attend examinations as required. Candidates for University College examinations must read, and will be assumed to have read, these rules and regulations which apply to all examinations conducted by the University College. Staff members are required to familiarize themselves with these rules and regulations to enable them to carry out their duties and responsibilities effectively.

These Examination Rules and Regulations may be amended from time to time by UCAB as deemed necessary.

3.1 Purpose

TUC Examination Rules and Regulations exist in order to ensure that assessment sessions provide an opportunity for students to demonstrate what they have learned in their courses. The Rules and Regulations cover different aspects of the evaluation process, and are to ensure the smooth and orderly exercise as well as to safeguard the security and integrity of all examinations.

A person who commits a breach of any item contained in these Rules and Regulations shall be guilty of a breach of academic integrity or misconduct for the purposes of the TUC Examinations Policy. Nothing in these Rules and Regulations, or any action taken under them, shall deprive the University College of any other action or right it may have in the circumstances, nor prevent the University College from taking any other action.

3.2 Assessment Requirements

3.2.1 All students must attend end of semester examinations, and/or any other examinations for which they are registered during their course/programme.

3.2.2 All students must also hand in required coursework assignments. If a student has extenuating circumstances they believe may affect their performance in assessed coursework or examinations, or causes them to miss an examination, they should fill in the ‘TUC Extenuating Circumstances Form’ (See Appendix 1).

3.2.3 A student who, with sufficient cause, misses an assessment will have their circumstances taken into account by the course lecturer and Department. If the student is offered an alternative assessment, the timing and form of this evaluation will be at the discretion of
the respective student's Department and School in consultation with the course lecturer and subject to the approval of UCAB.

3.2.4 A student will be regarded as missing an assessment with sufficient cause if the student can prove with circumstantial evidence that it would be unreasonable to expect the student to have attempted the assessment. UCAB will determine, on the basis of recommendations made by Departments and Schools, and on evidence submitted by the student, whether or not sufficient cause existed to warrant opportunity for an assessment.

3.2.5 If a student has registered for a course but fails to take the examination for which they are eligible to sit without sufficient cause, the student shall be deemed to have failed the course.

3.2.6 A student who fails to submit in-course assignment(s) without sufficient cause shall not be allowed to sit final examinations.

3.2.7 All students are required to be present for scheduled examinations unless authorized otherwise.

3.2.8 Examinations will be conducted during the allocated times shown in the Examination Timetable. Examinations will normally start at 9.00 am and end at 5.00 pm from Monday to Friday. UCAB may, with justifiable cause, vary these times and days.

3.2.9 It is candidates’ responsibility to ensure that they know the correct course, date, time and location of all their examinations.

3.2.10 Students must be prepared to identify themselves through the presentation of a relevant TUC photo-identification card or any other legally recognized identity document.

3.2.11 Missing an examination may affect a student’s progression to the next year of study, their eligibility for a degree, or the classification of a degree.

3.2.12 Examination offences are extremely serious. The University College takes a serious view of cheating. All students are expected to take note of the written examination instructions issued to them as well as the announcements made during examinations.

3.2.13 A candidate who is suspected of cheating in examinations is liable to disciplinary action including, but not limited to, cancellation of results, suspension or expulsion from the university.

3.2.14 All materials and/or devices which are found to violate any examination rules and regulations will be confiscated.
