Introduction

Turkana University College (TUC) was inaugurated on the 27th January, 2017 as a constituent college of Masinde Muliro University of Science and Technology (MMUST). This is Kenya's 1st public university to be established in the vast resource rich area of North Western Kenya.

The university thrives in an environment that fosters technology, innovation, creativity and research.

Turkana University College offers its students, quality academic and career education to meet individual and societal needs. The University's overall goal is to train career minded individuals by offering education that produces skilled, disciplined, honest and innovative workers through its programmes.

WHY STUDY AT TURKANA UNIVERSITY COLLEGE

1. The university thrives in an environment that fosters technology, innovation, creativity and research.
2. Turkana University College offers its students, quality academic and career education to meet individual and societal needs. The University's overall goal is to train career minded individuals by offering education that produces skilled, disciplined, honest and innovative workers through its programmes.
3. **Research and Development:** TUC prioritizes scientific research, technology and innovation as the key drivers for economic growth, solutions to socio-environmental problems and poverty reduction.
4. **Academics resources:** We have qualified staff, well equipped library, IT laboratory with easy access of Wi-Fi internet and other academic resources.
5. **Student Welfare Support:** The University College has established accommodation facilities and other recreational centres.
6. **Course completion time:** Students are able to complete their course within the stipulated time. Students' academic progress is closely monitored and evaluated on continuous basis.
7. **Flexible study options:** Flexible modes of learning, which includes fulltime & part time
8. **Security:** There is enhanced security in the University College and its environs.
9. **Community Services/Engagements:** Turkana University College is committed to carrying out Corporate Social Responsibility (CSR) based activities that add value to the community.
10. **Multicultural diversity:** The University recognizes the diversity of its student's population and develops talents through organizing of cultural events.
11. **Career placement:** The University is committed to producing highly skilled individuals to fit the Job market.
12. **Academic exchanges:** Students' benefit from academic exchanges with local institutions of higher learning.
