

WEBSITE PROFILE

Name of Staff: Rency Chebet Maswai

Designation: Tutorial Fellow

Department: Biological and Physical Sciences

Office e-mail: rencymaswai@tuc.ac.ke

Brief Profile/Educational Back ground

Has a degree in BSc. Mathematics and Computer Science from Jomo Kenyatta University of Science and Technology, an Msc. In Applied Mathematics and is currently pursuing a PhD. In Applied Mathematics at Kibabii University.

Major Publication if any

Mhd turbulent flow in presence of inclined magnetic field past a rotating semi-infinite plate. *International Journal of Engineering Science and Innovative Technology (IJESIT)*, Vol.4 Issue 2, 2015

Comparative analysis between skin friction in laminar flow and turbulent flow through a circular pipe
International Multidisciplinary Conference (Gretsa University), 2018

Research Interest

Mathematical Modelling
