

**Name:** Dr. Collins Ochieng Obura, PhD

**Designation:** Chair of Department

**Department:** Management Science

**Official Email:** [cobura@tuc.ac.ke](mailto:cobura@tuc.ac.ke)

## **BRIEF PROFILE**

Dr. Collins Obura is a holder of doctor of philosophy in Supply Chain Management from Jomo Kenyatta University of Agriculture and Technology (JKUAT). He has a Master of Science in Procurement and Logistics degree from Jomo Kenyatta University of Agriculture and Technology and holds Bachelor of Commerce Degree from Catholic University of Eastern Africa. Currently, he is the acting Chair of Management Science in the school of Business and Economics where he oversees the running of the department in terms of teaching and student mentorship among other responsibilities.

Through teaching Dr. Obura inspires students by engaging in lectures that reflect the current world trends in procurement and logistics and he is committed to advancing supply chain knowledge and fostering the next generation of industry leaders. Dr. Obura is also a dedicated researcher with an extensive practical experience in different fields including procurement and supply chain management. He has attended several research conferences and has a number of publications in refereed journals.

Dr. Obura has also been involved in the development of Oil and Gas Economics Program, which is a driven competency-based training and is aligned to training with the required job profiles in the Energy Sector. As a consultant, he is currently working on the formulation of development coordination policy to streamline development in Turkana County. Dr. Obura is a Member of the Kenya Institute of Supplies Management
